Q4 2025

About the project

The Aldoga Solar Farm, located near Gladstone in Central Queensland, is a flagship renewable energy project built on Economic Development Queensland (EDQ) land. It has a capacity of 380MW.

Leaders in renewable energy

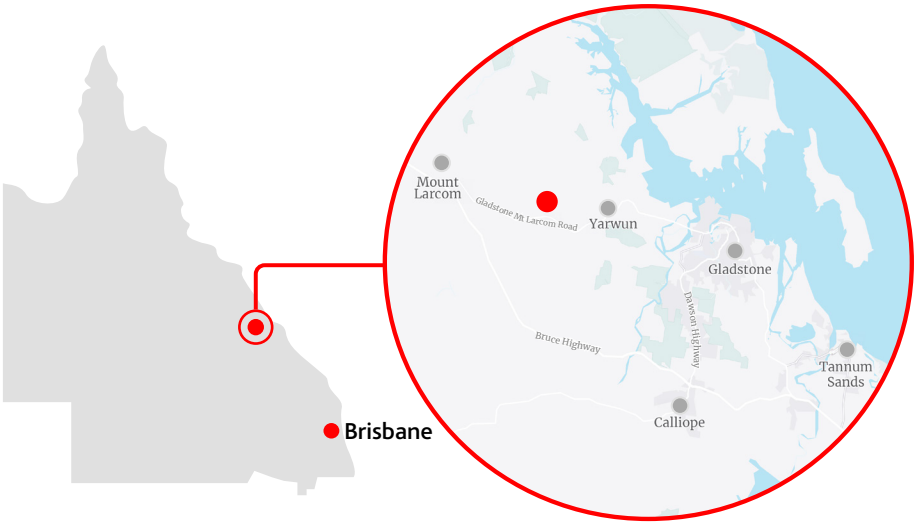

ACCIONA Energía, the world's largest renewable energy company without a fossil fuel legacy, develops, builds, owns and operates renewable energy assets in Australia. We collaborate with communities to produce sustainable energy, create jobs, and contribute to establishing Australia's low-carbon economy.

Connection to Country

In the spirit of reconciliation, ACCIONA Energía acknowledges the Traditional Custodians of Country throughout Australia and their connections to land, sea and community. We pay our respects to their Elders past and present and extend those respects to all Aboriginal and Torres Strait Islander people.

Location

The Aldoga Solar Farm is located approximately 20km north-west of Gladstone on the Central Queensland coast. The site is between Mt Larcom and Gladstone, within the Gladstone Regional Council area.

Community benefits

POWERING BUSINESS AND COMMUNITY PROGRAM

A $25,000 annual grant is available to provide local businesses assistance in their decarbonisation, with research expertise provided by CQUniversity. This program is being delivered in partnership with CQUniversity.

LEGACY INVESTMENT PROGRAM

This annual grant of $40,000 is Intended to deliver meaningful, long-term outcomes that offer a genuine legacy of investment for our host communities.

SMALL GRANTS PROGRAM

We invite community groups and organisations who wish to contribute to the sustainable development of their communities to apply for grant funding, with individual grants of up to $10,000 available to support impactful local initiatives.

EDUCATION AND SCHOLARSHIP PROGRAM

In partnership with CQ University, we provide annually 3 x $5,000 higher education and 4 x $2,500 vocational and educational training (VET) scholarships.
